

Approved Programs of Study - Qualifications for Registration

Note: National Law refers to the *Health Practitioner Regulation National Law Act* as in force in each state and territory

The following lists provide details of the programs of study and qualifications that are accepted by the Podiatry Board of Australia (Board) for:

- general registration as a podiatrist
- registration as a podiatric surgeon
- endorsement of registration for scheduled medicines

The lists include programs of study that have transitioned under the National Law as an approved program of study and have not been accredited by the Board's accreditation authority, the Australian and New Zealand Podiatry Accreditation Council (ANZPAC). Some of the programs of study that transitioned under the National Law are no longer offered by the education provider, but will still be accepted for the purpose of registration or endorsement for scheduled medicines.

For a current list of programs of study that are accredited by ANZPAC or undergoing the process leading to accreditation, please visit the ANZPAC website at www.anzpac.org.au.

A program of study that has been accredited by ANZPAC since 1 July 2010 **is not an approved program of study for the purpose of registration** as a podiatrist until that program of study has been **approved** by the Podiatry Board of Australia and published in one of the following lists..

Approved Programs of Study - Qualifications for General Registration		
Education Provider	Qualification	Course duration
Current Courses		
Auckland University of Technology	Bachelor of Health Science (Podiatry)	3 years FT
Charles Sturt University	Bachelor of Health Science (Podiatry)	4 years FT
Charles Sturt University	Bachelor of Podiatry (Pass & Hons)	4 years FT
La Trobe University	Bachelor of Health Science / Master of Podiatric Practice (Pass & Hons)	4 years FT
La Trobe University	Master of Podiatric Practice (Pass & Hons)	2 years FT (graduate entry)
La Trobe University	Bachelor of Podiatry	4 years FT
Queensland University of Technology	Bachelor of Health Science (Podiatry)	4 years FT

Queensland University of Technology	Double degree – Bachelor of Health Science (Podiatry)/Bachelor of Applied Science (Human Movement Studies)	5 years FT
University of Newcastle	Bachelor of Podiatry	3 years FT
University of South Australia	Bachelor of Applied Science (Podiatry) -	3 years FT
University of South Australia	Bachelor of Podiatry (Pass & Hons)	4 years FT
University of Western Australia	Bachelor of Podiatric Medicine	4 years FT
University of Western Australia	Doctor of Podiatric Medicine	3 years FT (graduate entry)
University of Western Australia	Master of Podiatric Medicine	1.5 years FT (graduate entry)
University of Western Australia	Doctor of Clinical Podiatry	3 years FT (graduate entry)
University of Western Sydney	Bachelor of Health Science/Master of Podiatric Medicine (Pass & Hons)	4 years FT
University of Western Sydney	Master of Podiatric Medicine (Pass & Hons)	2 years FT (graduate entry)
Courses that are no longer offered		
Auckland University of Technology	Bachelor of Podiatry	
Australian Chiropody Association (Victoria)	Diploma in Chiropody	
Curtin University of Technology	Bachelor of Science (Podiatry)	
La Trobe University	Bachelor of Applied Science (Podiatry)	
Lincoln Institute of Health Science	Diploma of Applied Science (Chiropody/Podiatry)	
Lincoln Institute of Health Sciences	Bachelor of Applied Science (Podiatry)	
NSW College of Chiropody	Diploma of Chiropody	
Queensland Institute of Technology	Diploma in Chiropody	
Queensland Institute of Technology	Diploma of Applied Science (Chiropody/Podiatry)	

South Australian Institute of Technology	Advanced Certificate in Chiropody
South Australian Institute of Technology	Diploma in Applied Science (Podiatry)
Sydney Institute of Technology	Diploma of Health Science (Podiatry)
Sydney Technical College	Associate Diploma in Chiropody/Podiatry
Sydney Technical College	Diploma of Health Science (Podiatry)
University of South Australia	Diploma of Applied Science (Podiatry)
University of Western Sydney	Bachelor of Applied Science (Podiatry)
Western Australian Institute of Technology	Diploma in Chiropody
Western Australian Institute of Technology	Diploma of Applied Science (Podiatry)
Approved Programs of Study – Qualifications for Endorsement for Scheduled Medicines	
Current courses	
Education Provider	Qualification
Charles Sturt University	Bachelor of Health Science (Podiatry) completed in 2004 or later
Curtin University	Masters of Podiatry
La Trobe University	Bachelor of Podiatry - completed in 2003 or later
La Trobe University	Honours degree in Podiatry (Pharmacology Units) – completed in 2003 or later
Queensland University of Technology	Bachelor of Health Science (Podiatry) - completed in 2013 or later
University of South Australia	Bachelor of Podiatry - completed in 2012 or later
University of South Australia	Certificate of successful completion of graduate course in Advanced Pharmacology for Podiatrists dated 2006 or later
Courses that are no longer offered	
La Trobe University	Graduate Diploma in Podiatry (Pharmacology Units)

Approved programs of Study – Qualifications for registration as a Podiatric Surgeon

Education Provider	Qualification
Australasian College of Podiatric Surgeons	Fellowship of the Australasian College of Podiatric Surgeons or eligibility for Fellowship of the Australasian College of Podiatric Surgeons
University of Western Australia	Doctor of Clinical Podiatry
