## Introduction

The role of the Podiatry Board of Australia (the Board) includes:

- registering podiatrists, podiatric surgeons and students
- developing standards, codes and guidelines for the podiatry profession
- handling notifications and complaints
- where necessary, conducting panel hearings and referring serious matters to tribunal hearings
- overseeing the assessment of overseas trained practitioners who wish to practise in Australia, and
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by the [Australian Health Practitioner Regulation Agency](#) (AHPRA). For information about legislation governing our operations see [About AHPRA](#).

The Board has analysed its registration data and produced a number of statistical breakdowns about registrants to share with the profession and community. The Board shares these breakdowns regularly.

For more information on podiatry registration, please see the Board's website [www.podiatryboard.gov.au/](http://www.podiatryboard.gov.au/)
